STAT

Area of Coverage: China - USSR  
Subjects Covered: Labor force; wages; productivity.  
Scholarship Evaluation: Popular Consumption  
Review: Contains translations of Russian articles and reprints of articles by Ch'en Po-ta on wage policies. Most of the articles praise the wage system of the USSR and elaborate on the individual and collective system of work incentive. Marx's "Gotha" statement used as reinterpretation for the Socialist ideal of "each according to his own need."
